

Clinical Virology Symposium, Daytona Beach, Florida USA, April 25-28th 2010

Biotrin welcomes you to sunny Florida from April 25th to 28th where we will be exhibiting at the 26th annual Clinical Virology Symposium in Daytona Beach.

The meeting held at the **Hilton Daytona Beach Oceanfront Resort** includes an extensive scientific programme of plenary sessions, panel discussions and poster presentations. Click here for details of the [Scientific Programme](#)

The Exhibitor section runs from Sunday evening to Tuesday evening and Biotrin will be located at Booth # 138. Come along and meet the Biotrin team to discuss our range of Infectious Disease diagnostics products.

Should you wish to set up an appointment please contact our US Sales Manager, Elaine Cameron at Elaine.cameron@biotrin.ie

We look forward to seeing you soon!

The Biotrin team
